PRODUCTION

Filomena Estefania De Matto Couto's family has been growing coffee for over a century. Their plantations are located in areas boasting ideal climates and altitudes and produce coffee cherries of the highest quality thanks to the care and attention a first-rate team of qualified experts who the Matto family involves in every phase of production.

SUSTAINABILITY

This coffee is part of the Café Delas project, a network of female entrepreneurs campaigning for gender equality through female empowerment programmes and projects. Café Delas is an initiative that supports female coffee farmers by providing resources, expertise and visibility, enabling them to develop their businesses to their full potential. A portion of the profits is reinvested in programmes that promote gender equality and the empowerment of women in the agricultural sector.
